This land is being offered by direct sale to Pershing County. It has been determined that the subject parcel contains no known mineral values, except oil and gas and geothermal steam and related geothermal resources. Acceptance of a direct sale offer will constitute an application for conveyance of those mineral interests having no known value. The land will not be offered for sale until at least 60 days after publication of this notice in the **Federal Register**.

The site will be used for placement of a large trash container. The container will be removed from the site on a regular basis. This site is necessary since closure of the Unionville dump is anticipated. No trash will remain on site permanently.

The above described land is hereby segregated from appropriation under the public land laws, including the mining laws, but not from sale under the above cited statutes, for 270 days from the date of publication of this notice, or until

title transfer is completed or the segregation is terminated by publication in the **Federal Register**, whichever occurs first.
